## *Summary of Collection*

This collection contains a variety of deeds, titles, and original documents relating to homes and properties in Montclair, donated by the Stanton Realty Company. The documents are organized in alphabetical order, by last name. Please note: our collection is divided into two time ranges: 1922-1996, and 1996-2013 (not included here).

### **Creator(s):**

Richard Stanton (donator)

### **Dates:**

1922-1996

1996-2013 (not included here)

### **Location:**

Clark House, 3<sup>rd</sup> Floor (upstairs Library)

### **Quantity:**

37 boxes

## *Scope and Content*

The types of documents in this collection include (but are not limited to) deeds, titles, insurance, notes, correspondence, reports, bulletins, pamphlets, blueprints, newsletters, and newspaper articles. Some of the documents were created as late as 2013, but the majority was created in the 1930s and 1940s. It is made up mostly of originals, with a few photocopies. The documents pertain to the homes located in Montclair throughout the 20<sup>th</sup> and 21<sup>st</sup> centuries. The majority of the records refer to deeds and titles of homes. This collection is limited primarily to deeds and materials related to house sales. Please see individual envelopes for additional content.

## *Arrangement Note*

To ease your research, the documents have been divided into two time ranges: 1922-1996, and 1996-2013. **The files from 1996-2013 are not included in this finding**

**aid to preserve the privacy of residents that may still be living in those houses.** The files in this collection are arranged in alphabetical order by last name. The staff and volunteers responsible for the processing of this collection felt that this was the most sensible arrangement because the materials are intended for frequent access. This collection has been entered by file folder into the PastPerfect database. Corresponding accession numbers are listed on each box.

### *Container List*

This is an inventory of the collection. It includes box number, the box tag title, and the box contents.
